Available Only in 5', 6' and 9' Sizes

ADD CHARM AND DISTINCTION TO YOUR HOME

Control Light and Privacy

Blinds allow for infinite adjustability and control.

- Visual Privacy – Create a wide open view or enjoy complete privacy from the outside world
- Natural Light – Open for maximum light or closed to reduce glare and solar heat gain

LightTouch® controls easily raise and lower the blinds

Tilt control allows for precise adjustments of the blinds

Convenience and Durability

Blinds sealed between the glass allow for:

- No dusting--easy to maintain
- No exposed cords reduce safety risks
- Blinds move in sync with the door and are never in the way
- Blinds are protected from damage
- Reduced allergen exposure
- Clear design complements any décor

A Better Way

Sliding patio doors offer homeowners a movable picture frame through which they can enjoy the outside view.

- Soft white blinds harmonize with any décor
- Clean, sleek design of the operating tracks does not interfere with your view
- Raise & Lower and Tilt controls operate easily and smoothly for precise adjustment of the blinds
